

Alternate way to travel to and depart from Hong Kong:

If your country has direct flight flying to Macau, you could fly over to Macau and then take the ferry to Hong Kong.

However, pls note that there are 2 ferry terminals and please ensure that you go to the nearby ferry terminal: The Macau Ferry Terminal (Cotai) which is about a 10-minute drive from the Macau International Airport. The ferry terminal runs over 150 departures to Hong Kong every day on a variety of high-speed vessels. The ferry journey takes about 55 minutes.

Remarks:

- When ordering your ticket for departure at Cotai Ferry Terminal, pls select "**Macau Taipa Ferry Terminal --> Hong Kong Macau Ferry Terminal**".
- The **Macau Taipa Ferry Terminal** is located very near to Macau International Airport (10-minute drive).
- The "**Hong Kong Macau Ferry Terminal**" is located in Sheung Wan of Hong Kong island; you could then take taxi to go to hotel located in Wanchai, which is around 10 minute drive if traffic is through.

- **Lead time:** If you upfront book the ticket, suggest you leave at least one and half hour between your flight's arrival time to the ferry departure time so that you have sufficient time for going through immigration, get your luggage and take the taxi to the ferry terminal.
