

Enterprise Trading Services

Collaborative Transformation:
Enable a Connected &
Sustainable Trading Community

Whether you are a retailer, a trader or a caterer, you face the challenges of handling massive amount of day-to-day paper transactions, and simplifying communication with trading partners to respond quickly and effectively to market demands. Go beyond EDI, we enable a shared understanding of information between partners so everyone is on the same page, help you automate processes, simplify workflows & drive business value.

MANAGE TRADING PARTNERS & TRADING ACTIVITIES WITH ONE SOLUTION

1

Global Sourcing & Trading Partner Management via SUPPLIER PORTAL

- Facilitate global product procurement
- Manage product data and trading partner relationships

2

Omni-Channel Order Management

- Enable automatic order processing across channels
- Gain insights on product, sales & inventory status
